Medical Spanish CD ROM

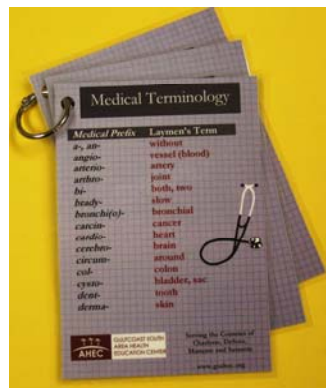

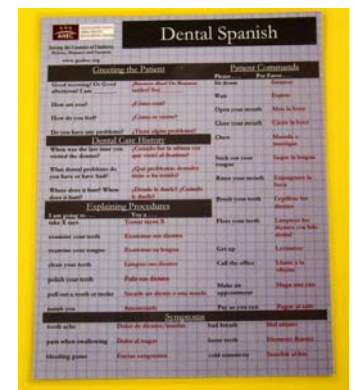

This CD ROM is focused on vocabulary and phrases appropriate to the health care setting. It provides the learner with helpful exercises to learn and practice intake information, medical terminology, anatomy, diseases and symptoms in Spanish. The course is approved for 30 continuing education credits for Florida licensed nursing and mental health professionals.

Cost is \$50.00 plus shipping and applicable tax.

Bilingual Dental Cards (English/Spanish)

A quick reference card ideal for dental care providers. Presents basic dental health information and terminology in Spanish and English. It also includes appropriate questions for patients.

Cost for 25 cards (minimum order) is \$15.00 plus shipping and applicable tax.

English to Spanish Medical Terminology Booklets

This user friendly, pocket sized three-page booklet includes more than 100 terms frequently used in health care settings.

Cost for 25 booklets (minimum order) is \$25.00 plus shipping
